

# FAREHAM's Draft 'Cunning' Plan ?

## Fareham's Draft Local Plan out for consultation until 8 December.

**Over 400 Homes could be built in our ward, Fareham East.**

*Lib-Dem Councillors* recently forced a challenge to Fareham's Draft Local Plan, which calls for **more than 8,000 new homes in Fareham by 2036**, many are proposed for "Greenfield" sites. See page 2 for details of Fareham East.

*Maryam & Katrina said* residents should be offered more options in the public consultation on the plan. We argued the sites it proposed to allocate were unbalanced across the borough.

*The Lib Dems called for more information* about funding for **infrastructure** and we pointed out that the wording of the draft plan gave the impression that the Council was giving permission for some sites rather than just recommending them at this stage.

*The overwhelming Tory majority* on the Council's Scrutiny Board inevitably **rejected our proposals** but did at least admit that we had made several valid points. It is to be hoped that by challenging this plan, we have helped to make it clear that residents can have a real say in the consultation.

A special edition of Fareham Today, giving details of the stages leading to the adoption of the plan in Summer 2019, is available on-line or paper copies at the Civic Offices.

**It is vitally important that you make your views known now**, along with firm evidence of any objection to, or support of, the content of the plan.

More information can be found on the FBC website:

[fareham.gov.uk/planning/localplanconsultation](http://fareham.gov.uk/planning/localplanconsultation)

or phone the Consultation Team on: **01329 824409**.

This map, extracted from the online version of FBC's "Fareham Today - October 2017" magazine, shows the proposed areas within the ward that are allocated for development.

### Our Local Lib-Dem Vision

- We will work to build and safeguard a fair, free open society.
- We commit to working with all parties to serve the residents of Fareham while promoting liberal and democratic policies and values in the borough.
- **On Housing:** We will promote the building of new homes, which actually serve local residents across all sectors of need, using Brownfield rather than Greenfield sites where possible.

Maryam & Katrina wish all our readers a very Merry Christmas and a Happy, Healthy and Peaceful New Year

## Fareham East Ward Surgery, 7 Oct 2017

Your Councillors, **Maryam Brady** and **Katrina Trott** discussing with local residents, Ray Edmunds and Ernie Ford, proposed developments before Katrina spoke at the Council's Executive Meeting on 9 October.

## Where are the "Allocated" sites ?

FBC's Draft Local Plan allocates several sites within Fareham East Ward for potential future development. They are:

### **Brownfield:**

- FTC1 Civic Area - 100
- FTC2 Market Quay - 100
- FTC6 Magistrates Court - 45
- FTC8 Lysses Car Park - 24
- FTC9 Wykeham House School - 15  
(planning permission already granted)

### **Greenfield:**

- HA8 Pinks Hill, Wallington - 80
- HA16 Military Rd, Wallington - 26
- HA20 North Wallington & Standard Way, Wallington- 21
- HA24 335-357 Gosport Rd - 8

One area has also been allocated for industrial purposes:

- EA5 Standard Way, Wallington - 2,000sqm

## A Challenge to "PUSH"

At Fareham Borough Council's Executive meeting, as part of her submission, **Katrina said**,

"As members of the Partnership for Urban South Hampshire (PUSH), we are not just assessing and providing for the needs of Fareham residents but also for the cities of Portsmouth, Southampton and Winchester plus the Local Authorities of Eastleigh, Gosport, Havant and four others.

"I believe what is proposed fails the social and environmental dimensions of our present populace, let alone future generations. My understanding is that very many residents of Eastleigh, Fareham, Gosport and Havant believe that this southern strip of South Hampshire is "full up".

"Damage has been and is being done to our environment. Not least in the air quality, noise and stress due to traffic on our inadequate roads but also in respect of other infrastructure such as the capacity of local GP surgeries, hospitals and schools.

**"Why cannot members of 'PUSH' say NO to government?"**

**"What would be the consequences ?"**

The answer given was, that the most likely outcome would be the [Tory] Government would ensure appeal inspectors overturned local decisions.

**Development would still happen !**

## The Unflushables !?

### Out of Sight, Out of Mind !

Keep the sewers clear

**Only flush the "3 P's",  
Paper, Pee & Poo.**

Anything else can cause blockages.

**Katrina** attended an information day on Monday 30 October.

She asked how the company was going to cope with the thousands of homes being forced upon this area of Southern England.

The answer given was that a number of measures are planned, some of these are:

- Reducing water use per person to below 130 litres per day.
- Rain & storm water re-use
- Water storage
- Effluent re-use
- Desalination

Southern Water deals with our sewage.

### Friday Night Club - Lifestyles Catering.

Enjoy a 3 course lunch for just £5 at Wallington Village Hall at 12:15pm

on the following dates:

Nov 29, Dec 20, Jan 17 & 21,  
Feb 21 & 28

## The Wallington Village Grand Quiz

### 2018

Wallington Village Hall,

Broadcut, Fareham

Teams of up to 6

£9.00pp

Doors open 7:00pm Quiz starts 7:30pm

Fish & Chip supper included  
(with alternatives)

Bring your own drinks as there is no bar !)

Raffle in support of "KIDS"

**Kids**

Well done and thank you, to all the young people from various organisations who took part in Fareham's Remembrance Day Parade on Sunday 12 November to remember those who gave their lives for this country during past wars and conflicts.

**"We Will Remember Them"**

**KIDS** are a national charity, with a local branch in Salterns Lane. Founded over 47 years ago, it provides a wide range of support services to disabled children, young people and their families. **KIDS** support children with any disability from birth to 25 years of age. We offer our support to the whole family with the aim of giving disabled children a brighter future.

## Cuts and More Cuts

### Conservative County Council's Cruel Cuts proposed in the services we need...

£140 million of dramatic, devastating and dangerous cuts are being pushed through by the Tories at Hampshire County Council. The cuts see frontline services dramatically axed to reduce costs as Theresa May's government pushes local Councils to save more.

Despite dismissing claims that these cruel cuts were on their way during May's local election, Conservative Chiefs have now confirmed some of the vital services they intend to slash.

These include:

- Closing half of all the tips in Hampshire.
- Stopping subsidies for all bus services.
- A 17% cut in support for disabled children.
- Dimming of street lights and switching off late at night in some areas.
- Cutting funding for sports in Hampshire
- Stopping funding community transport including "Dial-a-Ride".
- Firing over 50 Adult social services staff.
- Axing funds for School Crossing Patrols.
- Cutting back school transport, especially for college students.
- Axing £500,000 from winter road maintenance.
- Millions cut from Libraries budget.

## Police not Politicians !

**Just weeks after losing her seat in Parliament**, former Portsmouth Conservative MP **Flick Drummond** had been given the taxpayer funded role of "Deputy Police and Crime Commissioner" for Hampshire.

Her £63,750 a year pay packet could pay for **3 new police officers!**

**Maryam & Katrina** said:

"This is a scandalous use of tax-payers' money. Instead of spending our money on putting police on our streets, the Conservatives have chosen to give a gold-plated job to one of their own."

"We are therefore, very pleased to report that just a few weeks into her new job, **the ex-MP has quit the post.**

**"Perhaps now we can have those extra Police Officers ?"**

## Contact Your FOCUS Team Councillors
