

THANK YOU

Stubbington By Election Result

Jim Forrest and the local Lib Dems are saying a huge 'thank you' for the support they received in Thursday's by-election.

Jim won with a massive 55% of the vote and a majority of 416.

Almost 40% of Stubbington came out to vote - higher than most areas achieve in normal May elections.

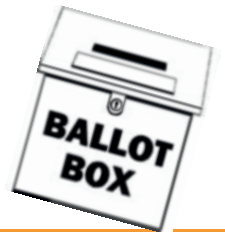

And this was despite the November gloom, and the bomb scare which caused massive traffic jams during evening voting hours.

Jim said: "We're really pleased. This has come about due to a lot of hard work from a lot of people over the last few weeks and it was great to see such a high turnout for a local election.

"We were really heartened at this demonstration of the trust local voters have in us."

Other NEWS

IN BRIEF ...

Our plea for cyclists gets results

We heard the day after Jim's election that a revised plan has been submitted for the porch extension at the Community Centre.

It includes provision for replacement cycle hoops, which Jim Forrest had asked for in comments on the plan, and which we highlighted in a recent Ad Lib. Good news for the many cyclists who use the Centre.

IFA2: Hear the latest on the Interconnector

A special meeting of Fareham Council's planning committee on Friday, November 17 will consider details of IFA2, National Grid's proposed Interconnector at Daedalus, and the proposed new public open space to be financed by it. They include:

- Details of access, appearance, landscaping and appearance of the new public open space.
- Revised details of the converter station buildings.
- Reports on converter station noise, interference, and electro-magnetic fields.
- TV and radio interference assessment.

The meeting at 2pm on Friday at the Civic Offices is open to the public, and reports on the matters to be considered can be seen on the planning pages at www.fareham.gov.uk
